

'This is the Song that Never Ends'

1) This is the song that never ends. Yes, it goes on & on, my friend. Some people started singing it--not knowing of its power, and they've continued singing it until this very hour...

2) It is the song of Jesus Christ...and how He came to bring us life. **Born to a... Jewish virgin in a stable long ago**--He grew up poor & humble in a family that was low.

3) But since He...followed Jewish law...**He was immersed**, and all who saw...a dove fly...from the water when Christ Jesus rose again--it meant that God was pleased with Him...for He had never, ever sinned...

4) **Then, He could calm the wind & sea...and make the demonized go free. He raised the...dead & gave 5,000 people lots of bread. He opened eyes that could not see**, and healed some folks like you & me.

5) And, after three short years were up...**He told His friends when they had supped**...that He would...give His body & His blood to pay for sin ...for all mankind who took His Word & let His Spirit in.

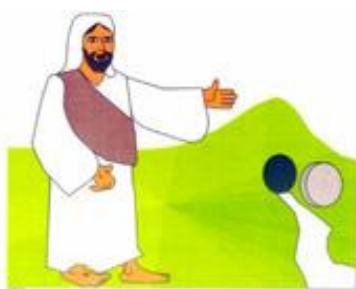

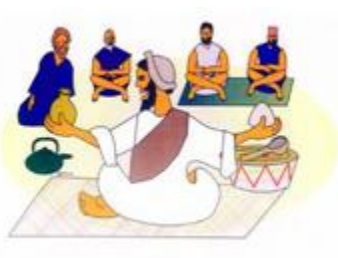

6) The jealous leaders tortured Him and **raised Him up** between two men. They laughed and spit & cursed at Him, not thinking of His love, when He called out 'forgive them' to His Father up above...

7) 3 days then passed & **He arose, came back to life** & wore new clothes. His friends were...overwhelmed but they could see He was not dead--His hands, His feet still bore the marks—but He was there just like He said.

8) He was the greatest Man of all...and now **He gives to us His call**-- that He might...come inside our hearts & minds to live today & give us power to do God's will in all we do & say.

9) This is the song that never ends. Yes, it goes on & on, my friend, I hope you...sing it up above in Heaven's mighty choir, & I will see you there someday where we will never, ever tire....

'Down in the Valley'

(tune of 'Down in the Valley')

- 1) Down in the valley, **snakes** in the land
biting God's people who strayed from His plan.
Moses & Aaron prayed God would forgive
& God said: 'Look up...and you will live.'
- 2) Look up & live and see that snake dead.
It was **a symbol** of something ahead--
something that God was planning to do,
to come as a man and take sin off of you.
- 3) Sickness & death would lose all their power
when they would **look up** in that dark hour.
Someday a **Healer** would rise from their own
someone whose love would be clearly shown.

'The Ten Commandments of God are Good'

(to the tune of "The Ants Go Marching 2 by 2')

The Ten Commandments of God are good, hurrah, hurrah (2x)

He wrote them down for us all to know...to love our neighbor
& how to show...that we all are marching to our Maker's commands.

The **1st** Commandment says **love God** first--above all else.

The **2nd** Commandment says **worship God** and not idols.

The **3rd** Commandment about **God's Name**--says not to take it up in vain.

For we all are marching to our Maker's commands.

The **4th** Commandment says **rest** one day, (hurrah, hurrah)

The **5th** says **honor parents** now--so we can live.

The **6th** Commandment says '**do not kill**'--His Word is true & abideth still.

For we all are marching to our Maker's commands.

The **7th** Commandment's to keep you **pure** from satan's lure.

The **8th** one says you should **not steal**--of that I'm sure.

The **9th** Commandment (to guard your tongue) says '**do not lie**'--not even in fun.

For we all are marching to our Maker's commands.

The **10th** Commandment says not to **want**-- what isn't yours.

There's things in life that God provides...He opens doors.

But first He wants you satisfied...with what you have not been denied.

For we all are marching to our Maker's commands.

"Where have all the Babies Gone?"

(tune of "Where have all the Flowers Gone?")

Where have all the babies gone? (*a long time passing*)
Where have all the babies gone? (*a long time ago*)
Where have all babies gone? Pharaoh slew them every one.
He feared a boy would come--and set God's people free.

Where's that basket floating to? (*with a baby*)
Where's that basket floating to? (*on down the Nile*)

Where's that basket floating to?
To Pharaoh's daughter who saved the one--
who became a deliverer & set God's people free.

Where is Moses running to? (*from the palace*)
Where is Moses running to? (*has he done wrong?*)
Where is Moses running to? The wilderness for 40 years.
God will teach him what he needs to set his people free.
