

Hebrew Alphabet Studies:

"mem" means: "water"

(*Strong's Exhaustive Concordance # 4325)

 is the number 40 "M" (in English)

"Water" (mem) in Hebrew is spelled מים

"Mother" in Hebrew is אמ 'am' or אמה 'amma' (Momma).

RE: The Name "Emma-nuel" עֵמָּנוּאֵל

In Matthew 1:21, the angel says to Joseph: **YOU** shall call the baby Jesus, meaning 'salvation.' And in Matthew 1:23 (quoting Isaiah 7:14) the angel says **THEY** shall call Him Em-ma-nu-El, meaning 'God with (or in) us.'

'THEY' are those who recognize WHO Jesus is & call Him by His REAL Father's Name (as was the custom). In other words, this is the only place where we are given the **Holy Spirit's NAME**. It's probably **hidden** to keep folks from carelessly using the Holy Spirit's name is vain (& perishing-Matt. 12:32)—as many ignorant folks do using "God" & "Jesus" as expletives.

'mem' at the beginning of a word means 'from'

"Assemble the people that I may give them **WATER**" Numbers 21:16

'LIVING' WATER—THE HOLY SPIRIT

Isaiah 12:3 "Therefore with joy shall ye draw water out of the **WELLS OF SALVATION**."

John 4:14 "But whosoever drinketh of the **WATER** that I shall give him shall never thirst, but the water that I shall give him shall be in him a **WELL OF WATER springing up into everlasting LIFE**."

John 7:37-39 "...Jesus cried, If any man thirst, let him come unto me and drink. He that believeth on Me, as the scripture hath said, out of his belly shall flow rivers of **LIVING WATER**. (But this spake He of the **SPIRIT**, which they that believe on Him should receive: for the **HOLY GHOST** was not yet given, because that Jesus was not yet glorified.)"

The (*Holy Spirit*) **WATER** came to man from the stricken **ROCK** (*Jesus*).

Exodus 17:5, Number 20:8, 1 Corinthians 10:4

Now the Spirit comes by **SPEAKING** (not striking) the **WORDS** (*Rock*) of Jesus.

Rev. 22:1 "And He shewed me a pure **RIVER** of **WATER OF LIFE**, clear as crystal, proceeding out of the throne of God and of the Lamb."

Rev. 22:17 "And the Spirit & the Bride say 'Come,' and let him that heareth say, 'Come.' And whosoever will, let him take the **WATER OF LIFE** freely."

WATERS of JUDGMENT— Body, Soul & Spirit

When God's prophets taught error & followed the way of the world, God gave them wormwood & the **WATER of GALL** (poisons—i.e., poppy, hemlock, venom...) to drink. Jer. 23:15, 8:14, 9:15 Jesus drank the gall Matt. 27:48, Mk. 15:36, Lk. 23:36, Jn 19:28-30 for His Servants to have **POWER OVER ALL POISON & VENOM**. Mk 16:18, Acts 28:3-5

The bread of adversity & **WATER of AFFLICTION** endured by the people of God 1 Kings 22:27, 2 Chronicles 18:26, Isaiah 30:20 was put upon Jesus so that His people now can have **POWER OVER ALL ADVERSITY**. Isaiah 53:7

Holy Water was made into **WATER of BITTERNESS** that brings a **CURSE** when dirt from the Tabernacle (representing manmade religion) was added to it. When a married woman (women in the O.T. represent the Church) was accused of adultery, she was made to drink it. If she was guilty, the water would become a **CURSE** in her, causing deformity & barrenness. If she was sinless, it would pass through her & she would be fruitful & bear seed—which would be her vindication. Numbers 5:17-27

Jesus **DRANK** this **CUP** for His faithless Bride — Matt. 26:42, Lk. 22:42, Mk. 14:36. that they might have **POWER TO FORGIVE ANYTHING**. Luke 23:34 & Acts 7:60

WATERS OF HEALING

Old Testament—"And ye shall serve the Lord your God and he shall **bless** thy bread & thy **WATER** and I will **TAKE SICKNESS AWAY** from the midst of thee." Exodus 23:25 Elisha had Naaman dip in the Jordan **RIVER** 7 times to **CURE** leprosy. 2 Kings 5:10-14 "...and everything shall **LIVE** whither the **RIVER** cometh." Ezekiel 47:9

New Testament—The man born blind received sight after being anointed with clay & then **WASHING** in the **Pool** of Siloam, as instructed by Jesus. John 9:1-11 (Notice that in John 9:35, Jesus made the effort to find the man afterwards.)

"...I will give unto him that is athirst of the fountain of the **WATER OF LIFE** freely." Rev. 21:6

HOLY WATER = HOLY WORD

The ashes of a red heifer (representing the finished work of the sinless sacrifice—Heb. 9:13, Num. 19:13) were put into water with some **scarlet** (representing redemption), **hyssop** (purification) & **cedar** (sanctification) to make it into **HOLY WATER** which was sprinkled on the people to purify them from **sin, sickness & separation**. That's what **teaching & preaching** God's Holy Word does today. It 'sprinkles' God's Word on the people to **purify** their minds. Ephesians 5:26, Titus 3:5

DEEP WATER = HOLY WATER (HOLY WORD) in the HEART

Proverbs 20:5 "COUNSEL in the heart of man is like **DEEP WATER**, but a man of understanding will draw it out." Proverbs 18:4 "The **WORDS** of a man's mouth are as **DEEP WATERS** and the wellspring of wisdom as a flowing brook."

There is an **ANGEL of the WATERS** - Rev. 16:5 There are **WATERS in the HEAVENS** - Jer. 51:16 There is **WATER of LIFE**—Ezekiel 47:1-5, 9 & Rev. 22:1, 17

When water covered the earth for 1 whole year (about 4,400 years ago)

THE FLOOD: The flood lasted about a year and “all the high hills that were under the whole heaven were covered...the mountains were covered.” (Gen. 7:19-20) It was the worst holocaust in history.

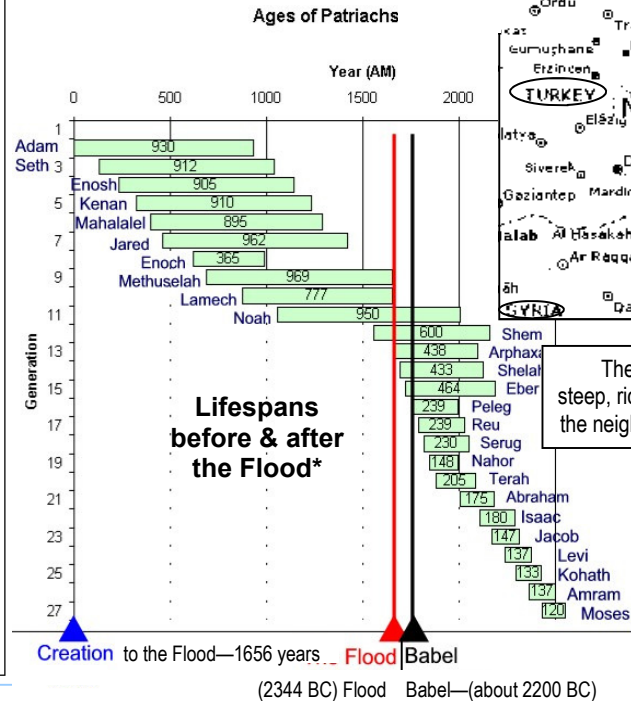

THE ARK: Scripture doesn't give the design of Noah's Ark but it gives proportions (300Lx50Wx30H) in Genesis 6:15: “And this is how you shall make it: The length of the ark shall be three hundred cubits, its width fifty cubits, and its height thirty cubits” (NKJV).

Noah's Ark was the focus of a major 1993 scientific study headed by Dr. Seon Hong at the world-class ship research center, KRISO, in South Korea. Dr. Hong's team compared twelve hulls of different proportions to discover which design was most practical. **No hull shape was found to significantly outperform the 4,300-year-old biblical pattern.** In fact, the Ark's careful balance is easily lost if the proportions are modified, rendering the vessel either unstable, prone to fracture, or dangerously uncomfortable. The research team found that the proportions of Noah's Ark carefully balanced the conflicting demands of stability (resistance to capsizing), comfort (“seakeeping”), and strength. In fact, **the Ark has the same proportions as a modern cargo ship.** The study also confirmed that the Ark could handle waves as high as 100 ft: <http://worldwideflood.com/>

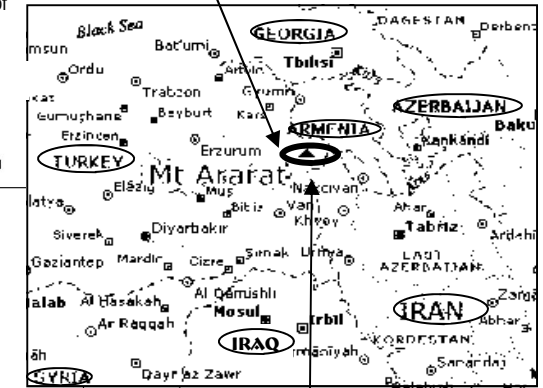

In 2007, the environmental advocacy group Greenpeace constructed a 33-by-13-foot model of Noah's Ark on Mount Ararat in eastern Turkey, at an altitude of over 8,000 feet! Its purpose was to “highlight dangers of global warming.” (*The earth has been 'warming' ever since the flood.*) Another replica of the Ark was built in the Netherlands in 2007 www.arkvannoach.com/ as an evangelical tool.

The size of the Ark could easily have housed the 16,000 types of animals necessary—including dragon/dinosaurs—since even the largest were hatched from ostrich-sized eggs. (*Reptiles continue to grow as long as they live—so if they lived as long as Adam did, they'd be huge!*)

Longevity before the Flood may have been the result of more moisture & oxygen in the atmosphere. Gen.2:5

Suspected location of Noah's Ark

The mountains of Ararat are treacherous, & steep, riddled with glaciers & deep crevices. AND, the neighboring regions are hostile to westerners.

*The Jewish historian Josephus wrote that the Great Pyramid was built **before the Flood** to survive both judgments of God—
1 by **water** & 1 by **fire**.
Fire judgment is coming—2 Peter 3:12 but it won't hurt God's elect—though they may be in it.
Daniel 3:25-27.
