

Hebrew Alphabet Studies:

"nun" means: "fish"

(*Strong's Exhaustive Concordance # 4325)

נ is the number 50 (see 'Jubilee' on back page) "N" (in English)

"to lift off" in Hebrew is נסח (NASA)

It's no coincidence that the early pioneers of the U.S. space program were Jewish & this acronym of National Aeronautic & Space Administration spells Nasa.

Also, the 'nun' signifies a faithful man in humility (on his knees). When it is written backwards (Psalm 107: 23, 24, 25, 26, 27, 28, 40 in the original Hebrew), it denotes

that God is removing His favor, turning His back to the enemy.

✝ The CROSS & the FISH are both symbols of Christianity.

ENGLISH ACROSTIC: Jesus Christ, Son of God, Savior (JCSOG) GREEK

ΙΧΘΥΣ ACROSTIC: Iesus Christos Theou Yios Soter (ICTYS)

ICTYS or ichthys means 'fish'

(c=x, o=t)

The FIRST FISH

Genesis 1:21* "And God created **great whales** (#8577—'tanniym'—**dragons**, sea monsters) & every living creature that moveth which the waters brought forth abundantly after their kind..." (5th day of Creation)

TANNIYM occurs 27 times in 10 different books of the Bible and is translated in the **KJV & NKJV** as:

...**WHALE(s)** in GENESIS 1:21 & JOB 7:12

...**SERPENT(s)** in EXODUS 7:9-12 (3x)

...**DRAGON(s)** in: MICAH. 1:8, EZEKIEL 29:3

JOB 30:29, DEUTERONOMY 32:33

PSALMS 44:19, 74:13, 91:13 (2x), 148:7

ISAIAH 13:22, 27:1, 34:13, 35:7, 43:20, 51:9

JEREMIAH 9:11, 10:22, 14:6, 49:33, 51:34, 51:37

...**MONSTERS** in LAMENTATIONS 4:3

The word 'dinosaur' was coined in the 1800's. Before that, large reptilian beasts were called 'dragons'—with artifacts, art & legends in every known culture of the world. They coexisted with men.

JUBILEE

The Year of Release — so the LAND can REST

First Jubilee: 1222 BC

Jesus's Jubilee: AD 29

SABBATICAL: Every 7th year on the Day of Atonement, planting & reaping ceased. If not, God's people would go into captivity: The Babylonian captivity (605-675BC) was...

"To fulfill the word of the Lord by the mouth of Jeremiah **until the LAND had enjoyed her SABBATHS**; for as long as she lay desolate, she kept sabbath, to fulfill threescore & 10 years"

(70 years) 1 Chronicles 36:21, Lev. 26:34-35, 43

CROPS: NOT PLANTED OR HARVESTED FOR 1 YEAR

If the land was allowed to rest the 7th year, bumper crops were promised & crops from the 6th year would last until harvest of the crops of the 8th year. Any crops that did grow the 7th year were for all to enjoy—people & animals. Lev. 25:1-7

50th YEAR

7th SABBATICAL: Every 49th year on the Day of Atonement, the trumpets blew loud and long throughout the land to PROCLAIM LIBERTY. This is the 50 YEAR JUBILEE. If the Jubilee is not observed, there is a Depression about every 50 years.

LAND: FAMILIES RESTORED, DEBTS CANCELLED

During the Year of Jubilee (49th-50th year), everyone returned home to his original family possession; if he has sold it, it shall be his again. If the land is sold or bought during the preceding 49 years—it is really just leased out. In every contract of sale there must be a stipulation that **the land can be redeemed at any time** by the seller or his nearest relatives. But, if the original owner is not able to redeem it, then it shall belong to the new owner until the Year of Jubilee—but **at the Jubilee year it MUST be returned** again. When this is obeyed, the land yields bumper crops and God's people eat their fill in safety.

(Note: Jubilee Act 2008: April 13, 2008, has been designated 'Jubilee Sunday' for folks working toward debt cancellation for third-world countries via legislation. www.jubileenw.org)

RE: CITY HOMES "If a man sells a house **in the walled city**, he has up to 1 year to redeem it, with full right of redemption during that time. But if it is not redeemed within the year, then it will belong permanently to the new owner—it does **NOT** return to the original owner in the Year of Jubilee.

1 exception: the homes of the Levites, (even though in walled cities), may be redeemed at any time and must be returned to the original owners in the Year of Jubilee. Levites are not permitted to sell the fields of common land surrounding their cities**—for these are their permanent possession, and they must belong to no one else."

Leviticus 25:1-34 **Levite cities are the 6 Cities of Refuge—Numbers 35

PEOPLE: SLAVES ARE SET FREE

If someone was too poor to feed himself or his family, you could take them in as hired servants (slaves) until the Jubilee Year. God commanded they NEVER be mistreated & whenever they or their relatives could pay the redemption price, they would be released. However, those not in the Covenant (unbelievers) were not automatically redeemed the Jubilee Year, nor were their children. **Leviticus 25:35-55**

Jesus healed sickness & cast out demons on the Sabbath. He is the **REDEEMER-KINSMAN**.

The **Dragon, False Prophet** & the **Beast** possessed men in the Old Testament & will possess men again in the future (Revelation 20:10). Here's what their **original bodies** may have looked like:

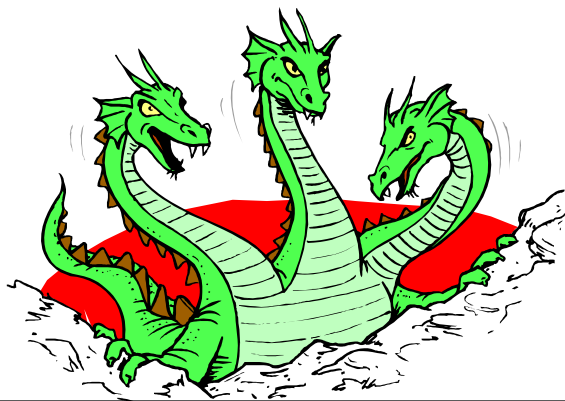

Leviathan (#H3882) לִוְיָתָן
occurs **6 times** in the Bible:
Job 41:1, Ps. 74:14, 104:26,
& Is. 27:1 (2x) & Job 3:8
(where it's translated 'mourning')

The entire chapter of Job 41 describes Leviathan & he is identified (by God) as the '**King of the Sons of Pride**' (Job 41:34).

In Job 41:15-21 (KJV) God describes Leviathan:
FIRE BREATHING? "His scales shut up together—a close seal—one is so near to another no air can come between them. By his sneezes a light doth shine & his eyes are like the eyelids of the morning. **Out of his mouth go burning lamps & sparks of fire leap out.** Out of his nostrils goeth smoke, as a seething pot or caldron. His breath kindleth coals and a flame goeth out of his mouth."

The **Dragon** (Rev. 12:3-17 & 13:4) possessed **Pharaoh Neco of Egypt** (Ezek, 29:3-32:2)

2 or 3 HEADED? "Thou didst brake the heads of the Dragons in the waters... thou didst brake the heads of Leviathan in pieces..." (Psalm 74:13-14) "...shall punish Leviathan the piercing serpent, even Leviathan that crooked serpent & He shall slay the Dragon (tanniyim) that is in the sea." (Isaiah 27:1)

28

Rahab (#H7293-7294) רָהַב (not the person*) occurs **6 times** in the Bible: Psalm 87:4, 89:10 & Isaiah 51:9 Job 9:13 & 26:12 (where it is translated 'Proud') Isaiah 30:7 (where it is translated 'Strength')
*A similar word, Rahab (#H7343) spelled with a 'chet' instead of a 'hey' in the middle, is a woman in the book of Joshua & elsewhere.

The **False Prophet** (Rev. 13:11-14) possessed **Eshbaal, King of Tyre** (Ezekiel 28:12)

In Ezekiel 28, God describes this cherub:
"...Thou sealest up the sun, full of wisdom, and perfect in beauty. Thou hast been in Eden the garden of God; every precious stone was thy covering... the workmanship of thy tabrets & of thy pipes was prepared in thee in the day that thou wast created. Thou, the anointed cherub that covereth, and I have set thee... By the multitude of thy merchandise they have filled the midst of thee with violence & thou hast sinned: therefore I will cast thee as profane out of the mountain of God & I will destroy thee... I will bring forth a fire from the midst of thee..." (Ezekiel 28:12-18)

"...awake as in the Ancient Days in the generations of old Art thou not it that hath cut **Rahab**—& wounded the dragon?" (Is. 51:9) "Thou hast broken **Rahab** in pieces..." (Ps. 89:10)

Supposed 'transitional' fish

| | |
|---------------------------|---|
| Fish-Amphibians? | Facts: |
| Coelacanth | not extinct, (found alive), 'feet' are really just fins |
| Rhipidistia | swim bladder "lungs"? some modern fish have lungs |
| Cow-Whales? | |
| Ambulocetus | fragments found above true whale fossils |
| Basilosaurus | a fully aquatic whale, not ambulatory at all |
| Pakicetus | "walking" whale? only the jaw and skull were found |
| Amphibian-Reptile? | |
| Seymouria | dated 30 million years younger than true reptiles |
| Reptile-Bird? | |
| Archaeopteryx | was fully bird (scales do NOT become feathers) |
| Dinosaur-Birds? | |
| Sinosauropteryx | lacked embryonic thumb necessary & "feather" traces were only frayed collagen |
| Archaeopteryx | combination of 2 different creatures (fraud) |

Behemoth (#H930) בְּהֵמוֹת
is described in Job 40:15.

A similar word, Behemah (#H929) is used hundreds of times in scripture & is translated 'beast,' referring to any 4-legged animal.

In Job 40:15-24, God describes Behemoth
"Behold now **Behemoth**, which I made with thee, he eateth grass as an ox. Lo, now, his strength is in his loins & his force in the navel of his belly. He moveth **his tail like a cedar** (tree): the sinews of his stones are wrapped together.
His bones are as strong pieces of brass, his bones like bars of iron, He is the **chief of the ways of God**..." Job 40:15-19

Native American petroglyph under the Kachina Bridge at Natural Bridges National Monument, Utah, USA.

The **Beast** (Rev. 13:1-10) possessed **King Nebuchadnezzar of Babylon** (Isaiah 13-14)

LUCIFER: "How thou art fallen from heaven, O **Lucifer**... Isaiah 14:12 **This entire passage is spoken to King Nebuchadnezzar**, the King who had an **image** made of himself for people to worship when prompted by loud music (Daniel 3:7-13). This scenario replays in the 'end times' with another **image** (Revelation 13:14-17).

King Nebuchadnezzar was literally possessed by the spirit of a beast (Behemoth) for 7 years: "...The same hour was the thing fulfilled upon Nebuchadnezzar & he was driven from men & **did eat grass as oxen** and his body was wet with the dew of heaven till his hairs were grown like eagle's feathers & his nails like birds' claws..." (Daniel 4:19-37 & 5:18-22)
