

Other Witnesses

Two other global witnesses stand out as 'savior/deliverers' (see *Obadiah 21*) to the 21st century.

The **first is Charlie Kirk**, whose memorial service (*in which the gospel of Jesus was very clearly presented by the U.S. Secretary of State Marco Rubio and others*) was seen by over **22 million viewers**. His ministry, TURNING POINT USA, (**TPUSA.ORG**) continues.

Much like the deacon Stephen, who was martyred for upholding God's truth (*Acts 6:10 "And they were not able to resist the wisdom and the spirit by which he spake"*), he was a sign to the world that minds will increasingly be liberated in our time. He knew that free speech was not free--it cost him. He was 'all in' to liberate spirits and SOULS (*minds, wills, emotions*)!

The **second is Tim Tebow**, the famous athlete who, at age 20 in 2007, made history as the only sophomore to win the Heisman trophy. His mother had been told to **abort him** or she would die. She chose life for him and they both lived. Today, instead of fighting to be the MVP (*most valuable player*), he fights for other MVPs (*most vulnerable people*) through the **TimTebowFoundation.org**

Tim Tebow's Foundation supports the needs of more than **2,700 orphans** and gives adoption aid to families **adopting a child with special needs**. His foundation has also helped to rescue over **2,000 victims of sex trafficking** (*his goal now is to rescue 50,000*) and hosts over **900 global 'Night to Shine'** events for special needs folks **all over the world!** He is 'all in' to liberate spirits, souls AND their BODIES!

These 2 'deliverers' were singled out because they are having a **global** impact, but each community has people who love God's Word and are bringing deliverance to their sphere of influence simply by agreeing with God's Word--that's all that's necessary-- 2 witnesses--God's Word & You!

Note: if you choose to partner with a ministry--you are inviting a portion of the anointing (*and opposition*) they've attained. Count the cost as well as the reward (*Hebrews 11:6*) They certainly have.

This booklet (and it's precursors: '3 Lawbreakers,' & '3 Divorcees') is available at <<http://2-acres.com/Ginger>> You may reproduce them freely.

2 Witnesses

"It is also written in your law, that the testimony of two men* is true." (*John 8:17*) It takes 2 witnesses--legally. That's why God seeks for intercessors to AGREE with Him (*"And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none."* *Ezekiel 22:30*)

In 2026, there are those whose lives are both signs--and allegories--of our time. Here are 2 world-renowned witnesses who have 'crucified' their innate self-centeredness (*original sin*) to be faithful in serving the Lord Jesus Christ in love to others--overcoming great tribulation -- severe bodily handicaps.

They may (*or may not*) be THE two witnesses spoken of in the book of Revelation, but they **are** 2 witnesses of the grace of God in the midst of tribulation

The message of the sign is clear--a body needs ALL its parts! Jesus called His church to be His body on the earth. These 2 already have a voice in the earth. So does the Church. But it's time for Christ's body to have ALL its parts and it's time for ALL its parts to function optimally! That's the sign today.

So, let's speak REGENERATION & RESTORATION to these 2 and see what God will do. The healing part of Jesus's ministry has not been seen on a global scale in our lifetime. But, it has the power to win hearts that are closed to the Gospel of Jesus. People of every belief system seek bodily healing. Let these real life overcomers demonstrate that Jesus IS the HEALER & SAVIOR for all mankind.

(*The Law required 2 **MEN**--The Spirit transcends gender. *Gal. 3:28*)

Nick Vujicic

Nicolas James Vujicic (*vooyi-chich*)
was born December 4, 1982,
in Melbourne, Australia

Nick is of Serbian descent and was born with tetra-amelia syndrome, a condition characterized by the absence of arms and legs.

Although Vujicic has no arms at all, he can't be called legless: he has one partial foot with two toes which originally were fused. An operation was performed to separate the toes so that he can use them as fingers. Vujicic refers to this foot as his 'chicken drumstick.' He uses it to walk, jump, write, type, swim, surf & skateboard. He is now an international bestselling author, entrepreneur & motivational speaker.

When Vujicic was 17 years old he started giving inspirational talks at school and church-sponsored events. He graduated from Griffith University with a Bachelor of Commerce degree, with a double major in accounting and financial planning. Vujicic's book, ***Life Without Limits: Inspiration for a Ridiculously Good Life***, was published in 2010 and has been translated into **30 languages**. Nick spreads a **message of hope**. Vujicic married Kanae Miyahara in 2012 and, since then, has fathered two sons & two daughters. In 2021, he co-founded **ProLife Bank**.

Nick has traveled to **78 countries** and spoken on **3,500 stages**, reaching audiences of up to 800,000. He collaborates with education ministries to promote anti-bullying messages and created the Attitude Is Altitude Curriculum.

Nick has met 25 world leaders and supported rescued human trafficking victims and orphans.

The body of Christ needs arms & legs --so pray for **regeneration** for Nick and for Christ's body to grow! May NO part be missing!

Now ye are the body of Christ, and members in particular."
1 Corinthians 12:27

Joni Earekson Tada

Joni Earekson
was born on October 15, 1949,
in Baltimore, Maryland, USA.

Joni enjoyed riding horses, hiking, tennis & swimming until July 30, 1967, at age 17, she dove into the Chesapeake Bay--misjudging the shallowness of the water--and fractured her cervical vertebrae and became a quadriplegic, paralyzed from the shoulders down.

During her two years of rehabilitation, Joni experienced anger, depression, suicidal thoughts, and doubts about God. However, during occupational therapy, she learned to paint with a brush between her teeth and began selling her artwork. She can also write that way. To date, she has written over 40 books, sung & recorded several musical albums, starred in a movie of her life and pioneered ministries that help handicapped people globally.

Joni founded 'Joni and Friends' in 1979 and, in 1982, married Ken Tada (*a Japanese-American school teacher*) and they started '**Joni and Friends Radio**,' a brief radio message that can now be heard weekdays on over **1,000 broadcast outlets!** Other Joni and Friends programs include Family Retreats; Wounded Warrior Retreats; Wheels for the World; 51 TV episodes and formation of the Christian Institute on Disabilities--helping handicapped people worldwide--even while fighting cancer in 2010 & 2017.

Much like the body of Christ on earth, Joni speaks around the world and is indeed 'salt & light,' but her body parts have been paralyzed for years. It's time those parts responded to her head and began to function as they should!

Pray for **restoration** of her body parts--and for Christ's body to operate on the earth as it was intended! Pray that in 2027 (after 60 faithful years), she will be whole again!

"For as the body is one, and hath many members, and **all the members** of that one body, being many, **are one body**: so also *is* Christ." 1 Corinthians 12:12
