7 - The Song That Never Ends

(tune: 'The Song That Doesn't End' by Norman Martin, New English Lyric Adaptation by Ginger Shamblin
(c) 2010 Norman Martin Music Administered by Peermusic III, Ltd. All rights Reserved Used by permission.)

- 1) This is the song that never ends. Yes, it goes on & on, my friend. Some people started singing it
not knowing of its power, and they've continued singing it until this very hour.
- 2) It is the song of Jesus Christ and how He came to bring us life. Born to a Jewish virgin
in a stable long ago. He grew up poor & humble in a family that was low.
- 3) But since He followed Jewish law, He was immersed, and all who saw a dove fly from the water when
Christ Jesus rose again--it meant that God was pleased with Him for He had never, ever sinned.
- 4) Then, He could calm the wind & sea and make the demonized go free. He raised the dead & gave 5,000
people lots of bread. He opened eyes that could not see, and healed some folks like you & me.
- 5) And, after three short years were up, He told His friends when they had supped that He would give
His body & His blood to pay for sin for all mankind who took His Word & let His Spirit in.
- 6) The jealous leaders tortured Him and raised Him up between two men. They laughed & spit & cursed at
Him, not thinking of His love, when He called out 'forgive them' to His Father up above.
- 7) 3 days then passed & He arose, came back to life & wore new clothes. His friends were overwhelmed but
they could see He was not dead. His hands, His feet still bore the marks--but He was there just like He said.
- 8) He was the greatest Man of all. And now He gives to us His call that He might come inside our hearts and
minds to live today & give us power to do God's will in all we do & say.
- 9) This is the song that never ends. Yes, it goes on & on, my friend, I hope you sing it up above in Heaven's
mighty choir. And I will see you there someday where we will never, ever tire.
