

God the Father, Son and Holy Spirit

(Isaiah 48:16, Matthew 28:19)

We have a body, soul & spirit--because we are made in the image of our Creator. (Genesis 1:27) In the Old Testament, God is called

ADONAI, YHWH* & ELOHIM (plural of El)

Also, He is called the God of **ABRAHAM, ISAAC & JACOB.**

In the New Testament, He is the **LORD JESUS CHRIST.**

The revelation of His **tri-une** nature is throughout the Bible.

Jews do NOT PRONOUNCE God's Name ('I AM') out loud but, instead, say: "**Ha Shem**" (The Name). By the same token, the founding fathers of the U.S.A. also had GREAT RESPECT for the Name of God & His Son, Jesus. So, they called Him "Nature's God," "Creator" and "Divine Providence" in the 1776 Declaration of Independence.

Later, on the \$1 bill, the Holy Trinity was represented by a Pyramid* with **Jesus as the "Chief Cornerstone"** (Ephesians 2:20) with a watchful eye. (Psalm 33:18, 2 Chronicles 16:9, Proverbs 5:21 & 15:3, Job 34:21, Jeremiah 16:17, 32:19 ...)

*Like all truths, this has been **twisted** to be the 'Eye of Horus'--from Greek mythology--by those who do not honor God's Word. Original letters from the late 1700's reveal that our Founders were well-educated, devout Patriots who loved Jesus and honored His Word above all. Those who teach otherwise have perverted history.

What are presented as historical **facts** in government school textbooks is often 'half truths' or even false information when compared with the original documents of the founding fathers.

Colonizing the Earth

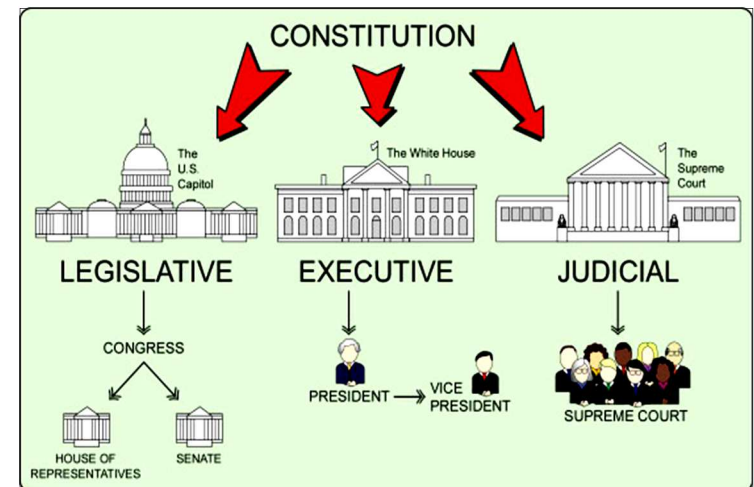

**"Thy Kingdom COME,
Thy will BE DONE in earth
as it is in Heaven." Matt. 6:10**

The United States of America was built on the foundation of the **Holy Bible.**

The 3 branches of U.S. government (JUDICIAL, LEGISLATIVE & EXECUTIVE) were patterned after the Holy Trinity:

**"The Lord is our JUDGE, the Lord is our LAWGIVER, the Lord is our KING
He will save." Isaiah 33:22**

The most perfect form of government is a **KINGDOM** with a **RIGHTEOUS King**—one who is both **Just & Merciful**. We can read how Israel (*given Judges, Prophets, Priests & Kings*) fell into idolatry because of corruption in **all** those offices because people are **NOT RIGHTEOUS**. Even the wisest King, Solomon, caused suffering to his people. But, God **IS RIGHTEOUS & HIS** government is a **KINGDOM!**

In Acts 2, when Jesus sent His Holy Spirit to indwell those who surrendered to His **Lordship** (*a Kingdom term*), the purpose was that those new ‘**citizens of Heaven**’ would **colonize the earth** to bring righteousness, peace & joy in the Holy Spirit to where they lived, **expanding the Kingdom of God on earth**.

It’s **the Great Commission** of Genesis 1:28: to subdue the earth (*Matthew 28:19-20*) and to be fruitful and multiply (*Mark 16:15-18*).

After centuries of corrupt earthly Kingdoms, God gave a Bible-loving people a Covenant document (*we call it the U.S. Constitution*). We were **NOT** begun as a **KINGDOM** but, rather, to reveal, in part, the mystery of the Trinity—(*sort of like—how marriage is a shadow of Christ and His Church*). Most of the kingdoms of the world have disappeared, hence, **Americans do NOT usually understand how a KINGDOM operates**. On the next page are some of the characteristics that define a Kingdom.

UNDERSTANDING KINGDOM GOVERNMENT

1. Kings are **SOVEREIGN**. In **their domain** and conquered territories, **EVERYTHING** and **EVERYBODY** is **owned by the King**—there is **NO** no personal ownership. Subjects of the King are **HIS** property.
2. Citizens must be **BORN** into the **Kingdom**.
3. Citizens are expected to **HONOR** the King with their substance, knowing that they are merely **stewards** who will someday answer for how they treated what (or who) was entrusted to them.
4. Citizens **REPRESENT** their King wherever they go and are **readily identifiable** by their attire, speech & **well-being**. Subjects living defeated, in bondage or poverty **bring shame & reproach on their King**—although they may experience persecution.
5. Citizens are expected to **INFLUENCE & INSTRUCT** others in order to **take dominion & expand the Kingdom** where they are sent.
6. Citizens **enjoy the company** of those who speak the ‘King’s language’ and are **loyal** to **DEFEND** their King from slander—from both fellow citizens and strangers to the realm.
7. When **in distress or danger**, citizens **APPEAL** to their King—rather than take matters into their own hands. **He is their Defender!**

“For our conversation (*citizenship*) is in heaven...”
Philippians 3:20

The United States of America:
“If we abide by the principles taught in **the Bible** our country will go on prospering and to prosper...”
Daniel Webster

“It is **impossible** to rightly govern the world without God and **the Bible**...” *George Washington*
