# Bibles, Bibles, Bibles

The Bible was written by at least 40 different Jewish people between about 1400 B.C. and A.D. 120.  
 The theme throughout the Bible is that God created & **LOVES** people but has given them free choice to respond to Him--or not.

*"And this gospel of the kingdom shall be preached in ALL the world for a witness unto ALL nations; and then shall THE END come."* (Matthew 24:14)  
 There are about 7 billion people on earth--& about 7,000 different languages. About 1/2 billion people (4,500 languages) have no Bibles yet!  
 For almost 200 years, self-less people working for organizations like Wycliffe Bible Translators ([www.wycliffe.net](http://www.wycliffe.net)) & the American Bible Society ([www.bibles.com](http://www.bibles.com)) have been discovering these many people groups and translating Bibles into their languages. Pray for them!

a political system disguised as a religion

## The Holy Bible - ILLEGAL (not allowed) in Islamic & Communist Nations

a religion disguised as a political system

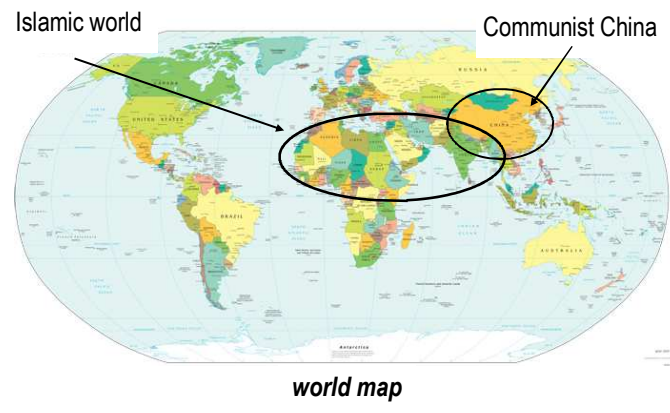

vs.

vs.

**ISLAMIC NATIONS HATE the BIBLE**  
 & punish people by torture, mutilation and murder just for owning or reading a Bible.  
 It is illegal to own a Bible under 'Sharia' (Muslim) law and if a Muslim converts to Christianity, their own relatives are obligated to kill them. And, they do, legally!  
 But, Muslims worldwide (especially in Europe-- 'Eurabia' & some cities of the U.S.) are actively trying to get Sharia law established.  
 Islam is an oppressive **political system** (not just a religion) with a goal of world domination.  
 Islamic **nations do not** allow freedom for any other religions & women in those countries are not allowed basic freedoms.

**COMMUNIST NATIONS HATE the BIBLE**  
 & put people into work camps (called 'gulags') where they are starved, beaten and worked to death just for meeting together to pray and read the Bible.  
 Because Communist China has been allowed to trade with the U.S. since 2000, they pretend to allow religious freedom. They allow their own state-approved churches to meet and even print Bibles to impress visiting Americans.  
 However, like the former **Union of Soviet Socialist Republic** (which persecuted Christians for 70 years--1919-1989), communism embraces the **religion** of evolution--the idea that there is no Creator (the God of the Bible) & teaching children otherwise means going to prison for it!

# God's Book: The Holy Bible

2

The Bible is a collection of 66 little books put together--39 written before Jesus was born and 27 written afterwards. We call them the OLD Testament & the NEW Testament.

## OLD TESTAMENT:

Jesus quoted the Old Testament many, many times and stated that "until Heaven and earth pass away, not the smallest letter or stroke shall pass away from the (*Old Testament*) Law until all is accomplished." (*Matt. 5:18*)

And, He said that '...Thy Word (*the Bible*) IS TRUTH' (*John 17:17*), confirming that the 'Old Testament' was inspired by God.

Our English translations contain 39 books but, in it's original language (*Hebrew*), they were grouped into 22 books. Books like 1st & 2nd Samuel were originally just 'Samuel' and the small (*minor*) books of prophets (*Jonah, Hosea...*) were put together and called 'The 12.'

## NEW TESTAMENT:

The New Testament contains 27 letters written by friends of Jesus. Paul wrote most of them.

## Why were other old Jewish books left out of the Bible?

There are some **very old books** that were not included in our Bible because **they didn't claim to be inspired by God, Jesus never quoted them & believers in God who lived in that time agreed that they should NOT be included in the Bible**--some of these include: *The book of Jashar, the annuals of King David, the book of the wars of Jehovah, records of Nathan, visions of Iddo, acts of Solomon & histories of Shemaiah.*

## Do other churches have more books in their Bibles?

Yes, in 1546 the Roman (Catholic) church added the '**Apocrypha**' to their Old Testament--it's a collection of books that include: Baruch, the letter of Jeremiah, Tobit, Judith, 1st & 2nd Esdras, Ecclesiasticus (Sirach), Wisdom of Solomon, the prayers of Azariah & prayers of Manesseh, Psalm 151, 1st-4th Maccabees and some additions to the books of Esther & Daniel, including Bel & the Dragon. **None** of these authors claim to be inspired, **none of the books were written in Hebrew & Jews reject them**, they contain errors, and **Jesus never quoted them**. Early church fathers rejected the apocryphal books but they were added to Catholic Bibles when the Roman church declared that the **traditions** of their church were as important as the Bible, fulfilling what Jesus said in Mark 7:13 when he accused religious leaders of "*making the Word of God of none effect through your TRADITIONS...*"

## Other 'Divine' (?) Books

**Are there other books that claim to be 'HOLY' or 'DIVINE,' like the Bible?**

### **MORMONISM**

Joseph Smith, who began the Church of Latter Day Saints (LDS) in 1830, supposedly with the help of **an angel named Moroni**, wrote the '**Book of Mormon.**' Smith had many wives and taught that men could become 'gods.' The Book of Mormon claims to be divinely inspired records of people who came to the Americas and witnessed the preaching of Jesus here following his resurrection. It claims that people came over at the time of the Tower of Babel, others left Jerusalem in 600 BC (*before its destruction by Nebuchadnezzar*) & another small group came later from Judah. Supposedly, in about 400 AD, their records were hidden, not to be found until revealed to Joseph Smith. He believed their descendants were the American Indians. The Book of Mormon has been corrected & updated hundreds of times since then.

### **ISLAM**

Also, the followers of Islam claim that their Koran (Quran) is Holy. The writer of the Quran, Mohammed, had at least 9 wives (*some of them children*) and was a cruel man, believing that anyone who did not submit to Islam should be killed. Women & children are considered property in the Quran and have no rights at all. He said that **the angel Gabriel** came to him and gave him the words of the Koran.

The Quran was written about 700 years after Jesus and has lots of distorted Bible stories in it, for instance: stories about ants that can talk (Sura 27:18), mountains thrown down to earth by an angry God (Sura 16:15), bees making honey in their abdomen (Sura 16:69), 7 earths & 7 hells (Sura 69:12), people being turned into apes (Suras 7:163-167) and it has many historical errors. It rarely appears in a language besides Arabic. (*In fact, just like the Roman church murdered people for translating the Latin Bible into the common language of the people 500 years ago, Muslim leaders murder people today who translate their Arabic Quran from Arabic.*)

Countries like Saudi Arabia, that have adopted the Quran as their 'Holy Book,' have declared 'Sharia' law & become dictatorships where there is NO tolerance of any other religions (*especially Christianity & Judaism*) and women must wear black robes and totally cover their bodies & faces in public (*even if it's very hot outside*).

The sword is the symbol of Islam. It is common in Islamic countries for a suspected thief to have his hand cut off or nose cut off as punishment. Women who disobey their husband or father can be legally tortured to death or beheaded. Islam is a political religion that teaches world domination. They believe that when the world is in chaos, their Savior (Mahdi) will emerge & save them. The President of Iran (*Persia*), Ahmadinejad is planning to start a nuclear war to usher in the Mahdi.

**NOTE: Revelation 22:18b declares curses to those who ADD to His Holy Word.**

**Mathematical PERFECTION** in the (original) GREEK text of the Bible from which our English **King James Version (KJV)** Bible was translated.

### New Testament Math (GREEK)

The Greek Alphabet is alpha-numeric (the letters are used to make numbers).

There were 26 letters in the Greek Alphabet. Unlike Hebrew, there are both capital **and** small letters for each number. Two of these Greek letters are now extinct (*vau & koppa\**) but were used in Scripture.

### Greek Alphabet of 26 letters

A α (alpha) = 1	I ι (iota) = 10	P ρ (rho) = 100
Σ β (beta) = 2	K κ (kappa) = 20	Σ σ or ζ (sigma) = 200
Γ γ (gamma) = 3	Λ λ (lambda) = 30	Τ τ (tau) = 300
Δ δ (delta) = 4	M μ (mu) = 40	Υ υ (upsilon) = 400
E ε (epsilon) = 5	N ν (nu) = 50	Φ φ (phi) = 500
ζ'ω (vau) = 6*	Ξ ξ (xi) = 60	Χ χ (chi) = 600
Z ζ (zeta) = 7	O ο (omicron) = 70	Ψ ψ (psi) = 700
H η (eta) = 8	Π π (pi) = 80	Ω ω (omega) = 800
Θ θ (theta) = 9	Ϟ ϟ (koppa) = 90*	

This is the Greek Alphabet as it appears in the New Testament. Practically every Greek word has at least 4 possible spellings. These spellings also have 4 different articles (**English** only uses "a" and "the" for articles).

That means the **same word** can have many different mathematical values depending upon its context.

*Samples of Greek words:*

**JESUS** (Matthew 1:21) Ι η σ ο υ ζ 10 + 8 + 200 + 70 + 400 + 200 = **888**  
(σ and ζ are both the letter sigma)

**GLORY TO GOD** (Luke 17:18) δ ο ξ α ν θ ε ω 4 + 70 + 60 + 1 + 50 + 9 + 5 + 800 = **999**

**LORD** (Luke 5:17) Κ υ ρ ι ο υ 20 + 400 + 100 + 10 + 70 + 400 = **1000**  
[John 16:33 "Be of good cheer; I (the Lord) have **OVERCOME** the world."]

**THE ONE OVERCOMING** (Revelation 2:26) Ο ν ι κ ω ν 70 + 50 + 10 + 20 + 800 + 50 = **1000**

**EVERLASTING POWER** (Romans 1:20) α ι δ ι ο ζ δ υ ν α μ ι ζ  
1 + 10 + 4 + 10 + 70 + 200 + 4 + 400 + 50 + 1 + 40 + 10 + 200 = **1000**

**THE ELECT** (from Romans 11:7) η ε κ λ ο γ η = **144**

**SAINTS** (from Revelation 8:3) α γ ι ω ν = 6 x **144** (864)

**THE FAITH** (from Revelation 2:13) τ η ν π ι σ τ ι ν = 7 x **144** (1,008)

**WITNESS** (from Revelation 12:11) μ α ρ τ υ ρ ι α ζ = 8 x **144** (1,152)

**COME OUT, MY PEOPLE** (from Rev. 18:4) ε ξ ε λ θ α τ ε ο λ α ο ζ μ ο υ = 9 x **144** (1,296)

**BELIEVERS** (1 Timothy 4:12) π ι σ τ ω ν = 10 x **144** (1,440)

**PRIESTS OF GOD** (from Revelation 20:6) ι ε ρ ε ι ζ τ ο υ θ ε ο υ = 11 x **144** (1,584)

**Warning:** There is an area of divination that uses numbers, called numerology. God never intended for men to use knowledge (of evil OR good) to control or manipulate events. That's why no one knows when Jesus will return (Acts 1:7). The idea that your destiny is **fixed** is of the enemy (his destiny has been fixed). But, like any deception, numerology is based on truth, God does use math.

# Mathematical PERFECTION in the (original) HEBREW

text of the Bible from which our English **King James Version (KJV)** Bible was translated.

## Old Testament Math (HEBREW)

In Psalm 119, the Hebrew Alphabet is given (as a title above every 8 verses). There are 22 letters in the Hebrew Alphabet. Each one corresponds to a number (like Roman numerals). Once you master this code, if you have access to a Hebrew Old Testament (or Strong's Exhaustive Concordance) you can compute the numerical value of each word in the Old Testament. *\*There are 5 letters that have a different appearance and numeric value when they appear at the end of a word. They are called "finals."*

### Hebrew Alphabet of 22 letters *(all capitals)*

א (aleph) = 1	י (yod) = 10	ק (koph) = 100
ב (beth) = 2	כ (caph) = 20	ר (resh) = 200
ג (gimel) = 3	ל (lamed) = 30	ש (shin) = 300
ד (daleth) = 4	מ (mem) = 40	ת (tau) = 400
ה (he) = 5	נ (nun) = 50	ך (final caph) = 500*
ו (vau) = 6	ס (samech) = 60	ם (final mem) = 600*
ז (zain) = 7	ע (ain) = 70	ן (final nun) = 700*
ח (cheth) = 8	פ (pe) = 80	ף (final pe) = 800*
ט (teth) = 9	צ (tzaddi) = 90	ץ (final tzaddi) = 900*

### Original 22 Books of the Old Testament:

The Law:  
Genesis, Exodus, Leviticus, Numbers, Deuteronomy

The Writings:  
Joshua, Judges/Ruth, Samuel, Kings, Chronicles, Ezra/Nehemiah, Esther, Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon

The Prophets:  
Isaiah, Jeremiah/Lamentations, Ezekiel, Daniel, The Twelve\*

Ancient Hebrew scholars believed that the 22 letters of the Hebrew alphabet held within them the mysteries of the scriptures and that they corresponded to the 22 sacred writings above.

*\*The Twelve 'Minor' Prophets: Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi.*

\* Not all scholars agree that the finals have different numerical values.

## Introduction to "Torah Codes"

Hebrew is read from right to left. The Hebrew language of the Old Testament had no vowels. They were added later as dots and dashes under the consonants. The **Torah** (or Law) is the first 5 books of our Bible (we call it the Pentateuch).

In it are remarkable codes found extracting letters at equidistant intervals in the original Hebrew. For instance:

In **Genesis 1:1-5** and **Exodus 1:1-7**, find the first "tav" and start counting letters. The 50th letter will be a "vau."

Count another 50 letters to a "resh," another 50 letters & you'll find a "he." This spells "Torah" (תּוֹרָה).

**Numbers 1:1-3** and **Dt. 1:5-8** also have the word "Torah" encoded every 50th Hebrew letter *backwards* (הַרְוֹת).

The center book Leviticus, which the other 4 books point toward, has the Holy Tetragrammaton (YHVH) encoded every 8 letters in **Lev. 1:1**. The Torah from beginning to end points to YHVH (God). Leviticus 1:1 *start here*

וּתְרַקַּא אֱלֹהִים וַיְדַבֵּר יְהוָה אֵלָיו מֵאֵל מִיַּעַד לֵאמֹר

This is an example of a TORAH CODE:

Proverbs 30: 4 (in English)

"...WHO made rise all the ends of the earth?

What is His Name and WHAT IS HIS SON'S NAME?

Surely you know.

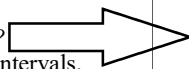

Every Word of God is tested.

A shield is He to seekers of refuge in Him.

Do not add to His Words!"

What is the Name of God's Son?

The answer is encoded in this verse in 22 letter intervals.

Count every 22nd letter, remembering that Hebrew is read right to left (*backwards from English*). Start with the 1st "yod"

Proverbs 30:4 (in Hebrew)

מִי הַקִּים כָּל אַפְסֵי אֲרֶץ  
 מִה שָׁמוֹ וּמִה שֶׁמֶן בְּנוֹ  
 בִּי תִדַּע  
 כָּל אֲמֵרַת אֱלֹהִים צִרְפָּה  
 מִנֵּן הוּא לַחֲסִים בּוֹ  
 אֵל תּוֹסֵף עַל דְּבָרָיו

(יְשׁוּעָה) (English translation: Jesus or Yeshua)

Here are some more examples of Hebrew words and their numerical values.

<b>SALVATION OF OUR GOD</b>	י שׁוּעַת אֱלֹהֵינוּ	6 + 50 + 10 + 5 + 30 + 1 + 400 + 70 + 6 + 300 + 10 = <b>888</b>
<i>(Isaiah 52:10)</i>		
<b>I AM JEHOVAH, I CHANGE NOT</b>	יְהוָה אֱלֹהֵינוּ שְׁנִיתִי לֹא	10 + 400 + 10 + 50 + 300 + 30 + 1 + 10 + 5 + 6 + 5 + 1 + 50 + 10 = <b>888</b>
<i>(Malachi 3:6)</i>		
<b>LORD GOD</b>	אֱלֹהֵינוּ אֱדֹנָי	10 + 5 + 30 + 1 + 10 + 50 + 4 + 1 = <b>111</b>
<i>("Adonai Elohi")</i>		
<b>WONDROUS</b>	פֶּלִא	1 + 30 + 80 = <b>111</b>
<i>(Job 37:14)</i>		

**MATHEMATICAL EVIDENCE FOR THE TRINITY IN SCRIPTURE:**

<b>*YAH</b> <i>(Lord, short for Jehovah)</i>	י ה	5 + 10 = 15	+	<b>LOVE</b>	א ה ב	2 + 5 + 1 = 8
<b>ADONAI</b> <i>(Lord)</i>	א ד נ י	10 + 50 + 4 + 1 = 65		<b>MERCY</b>	ח ס ד	4 + 60 + 8 = 72
<b>EL</b> <i>(God)</i>	א ל	30 + 1 = <u>31</u>		<b>GOD</b>	א ל	30 + 1 = <u>31</u>
<b>The 3 names of God = 111</b>				1 (of many) combinations that also = <b>111</b>		

Jehovah spoke to Isaiah (48:16b) saying: "...the Lord **GOD** and His **SPIRIT** hath sent **ME** (*the Redeemer*)."  
 Those who have trouble with the idea of a tri-une God may remember that in the *Shma* (*below*) mentions God **3** times.  
 "Hear, O Israel, the **LORD**, our **GOD**, the **LORD** is one." Deut. 6:4 is said daily by practicing Jews.  
 He is the God of Abraham (*Father*), the God of Isaac (*Son*), the God of Jacob (*a type of the Holy Spirit*).

See if you can figure out the numerical value of these Hebrew words:

- YEHOVAH** *(Exodus 3:14)* י ה ו ה \_\_\_\_\_
- HONOR** *(Proverbs 3:9)* כ ב ד \_\_\_\_\_  
 כ (bet/vet) looks alot like כ (caph)
- GAD** *(Israel's 7th son) (Genesis 30:11)* ג ד \_\_\_\_\_
- POWER** *(from Psalm 66:7)* ע ו \_\_\_\_\_
- DAVID** *(1 Samuel 16:13)* ד ו ד \_\_\_\_\_
- HAND** *(Psalm 89:21)* י ד \_\_\_\_\_
- ABRAHAM** *(Genesis 17:9)* א ב ר א \_\_\_\_\_  
 (Hebrew is written right to left so the א is a *final mem*)
- COMPASSION** *(Exodus 33:19)* ר ח מ \_\_\_\_\_

**\*YAH**  
 There are two Hebrew words that are translated "Lord." **Adonai** (or Adon) & **YHVH\*** (Jehovah, Yehovah or Yahweh--abbreviated as "Yah.") El, Elohe or Elohim are translated "God."  
 \*YHVH comes from the Hebrew verb HVH "to be," "am" or "to exist." YHVH is translated as "I AM." People didn't say YHVH out loud for so long--out of reverence--that they forgot how it was said. Jesus knew it, though, & said it out loud--making the Rabbis furious (John 8:58). 'Jesus' is Greek for 'Yeshua.' (Hebrew doesn't have a letter 'J')

→ **the answers are:**  
 Jehovah = 26, honor = 26;  
 Gad = 7; power = 77;  
 David = 14, hand = 14;  
 Abraham = 808, compassion = 808

# GENESIS 1:1

## DESIGN in the FIRST SENTENCE in the Bible (THE DIVINE PROLOGUE)

Note: Old Testament Hebrew is written & read from right to left. ←

בראשית ברא אל הים את השמים ואת הארץ  
*ha-eretz*      *v-ayth*      *ha-shamayim*      *ayth\**      *Elohim*      *bara*      *Ba-resheeth*  
 .the earth      and - -      the heavens      -----      God      created      In the beginning

90+200+1+5	400+1+6	40+10+40+300+5	400+1	40+10+5+30+1	1+200+2	400+10+300+1+200+2	
(296)	(407)	(395)	(401)	(86)	(203)	(913)	= 2701 *
(296)	(407)						= 703
(296)		(395)		(86)			= 777
(296)	(407)	(395)					= 888
		(395)	(401)		(203)		= 999
				(86)		(913)	= 999

No English word is translated for the middle word of this sentence—'ayth.'

(Elsewhere, 'ayth' is usually translated: near, with, by, at, among, against, for, from, in, before, thou and with.)

It is made up of the **FIRST & LAST** letters of the Hebrew alphabet—Aleph & Tav—pronounced 'ayth.'

So, right in the **center** of the **FIRST 7 HEBREW WORDS** is the **First & Last -- one of the names of JESUS!**

JESUS is not only our **CREATOR**, but He holds everything together & is the **CENTER** of **ALL**.

\* 2701 = is the sum of the numbers 1 through 73.

703 = is the sum of the numbers 1 through 37.

The book of Genesis ('beginnings') gives us the **foundation** for everything we, as Christians, believe:

- 1) God created all life for a purpose
- 2) God created only good things
- 3) God made woman to be a partner for man
- 4) God expects people to obey Him
- 5) God has an enemy who tempts and leads people astray
- 6) God makes a way to cover those who disobey Him
- 7) God is Holy and must punish sin

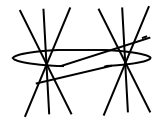

The book of Genesis also tells of a global flood that is scientifically observable today by strata of rock formations that extend across the globe. And, 153 ancient cultures have flood legends that resemble the Genesis account. Unfortunately, many scientists do not use rock-dating methods that take into account the 1-year global flood 4400 years ago, which makes their dating methods historically inaccurate.

Even the earliest written language - Ancient ('Oracle-Bone') CHINESE affirms the Genesis record! The Chinese pictograph words for 'no,' 'covet,' and 'restrain' reveal a knowledge of the events of the Garden of Eden recorded in Genesis 2 & 3 and some missionaries to China believe that the first Chinese Emperor (of the Shin Dynasty) was Shem, the son of Noah.

### Chinese Words:

The most ancient form of the Chinese written pictograph language, called 'Oracle Bone' Chinese, has the following interesting words:

The word for **NO** has two trees with a snake around them.

The word for **COVET** has two trees with a woman.

The word for **RESTRAIN** has a tree & a mouth.

*It appears that the first written language was penned by folks familiar with the events of Genesis 2-3.*

# 1) BIBLE CODES SHOULD NEVER BE USED TO TRY TO TELL THE FUTURE!

The Bible forbids fortunetelling! One reason is that it makes the future appear to be 'set in stone' - but it's not. Our prayers can change the future! The future belongs to GOD (Acts 1:7)!

Faith in God requires trusting God with our future, not trying to manipulate it!

God forbids His people to go to fortune tellers because they consult 'familiar spirits'--evil spirits that are agents of the enemy (Isaiah 8:19-20) whose goal is to steal, kill & destroy (John 10:10).

God's Word warns against the occult SINS of witchcraft (1 Samuel 15:23), sorcery (*the Greek word for sorcery is 'pharmacia'*), necromancy (Deut. 18:10-11), consulting familiar spirits or wizards (Lev. 19:31,20:6 & 27 ), fortunetelling & divination. King Saul ignored this warning and went to a witch for advice, costing him both his kingdom & his eternal soul (1 Sam. 28).

# 2) BIBLE CODES ARE NOT DOCTRINE--JUST PROOFS OF DIVINE INSPIRATION!

**BIBLE CODES BOOK:** Journalist Michael Drosnan is credited as *the* person who brought Bible Codes research to the attention of the general public in 1997 with his book '*The Bible Codes*' based on the work of Israeli mathematician Eli Rips. But Drosnan is not a Hebrew Bible scholar. *The Signature of God* by Grant Jeffrey is a better book on the subject.

**OMEGA CODES MOVIE:** In 1999, TBN released a movie called '*The Omega Code*' that was fiction (not true), but was based upon the real phenomenon of Bible Codes. It's much like the 'Left Behind' movie series, not much in it about the Codes.

English translation: 'Jesus is My Powerful Name'

The **pink letters** (count every 40 letters) spell  
in Hebrew: 'Moshiach'  
English translation: 'Messiah' (or Christ, in Greek)

*Computer programs can be purchased where you can type in a name or number in English and it will translate it into Hebrew and look for it in the Hebrew Masoretic text (the only Hebrew text where the Bible Codes appear). Some of the challenges with these programs is that modern English names are spelled many ways, as are their Hebrew counterparts. The good news is--it's very likely in there somewhere & will bless you to find out WHERE it is!*

Torah is the Hebrew word for 'Law' and refers to the **first 5 books** of our Bible (below):

**GENESIS  
1:1-5**

Find the first 'tav' and start counting letters. The 50th Hebrew letter will be a 'vau.' Count another 50 letters to a 'resh,' another 50 letters & you'll find a 'hey.' This spells 'Torah.'

**EXODUS  
1:1-7**

Find the first 'tav' and start counting letters. The 50th Hebrew letter will be a 'vau.' Count another 50 letters to a 'resh,' another 50 letters & you'll find a 'hey.' This spells 'Torah.'

**LEVITICUS\***

**1:1**

Leviticus has a **different code** in its first verse—the Holy Tetragrammaton (YHVH—יהוה) (translated "Lord" or "I AM") is encoded at **8-letter intervals** in Lev. 1:1.

The focal point of the Torah is YHVH (JESUS in Greek)

יהוה

See for yourself:

וִיִּרְאֶה  
אֶל־מִשְׁהָה  
וַיִּדְבֹּר  
יְהוָה  
אֵלָיו  
מֵאֵלֶּה  
מִיַּעַד  
לֵאמֹר

**DEUTERONOMY  
1:6-8**

The word 'Torah' is also encoded every 50th Hebrew letter in these verses—but it's spelled **backwards**: 'hey,' 'resh,' 'vav,' 'tav.'

הרות

**NUMBERS  
1:1-3**

The word 'Torah' is also encoded every 50th Hebrew letter in these verses—but it's spelled **backwards**: 'hey,' 'resh,' 'vav,' 'tav.'

These 2 books point to Leviticus.

These 2 books point to Leviticus.

\***Leviticus** is 90% dictated from the mouth of God. The reason it seems repetitious & boring to us is because the whole book is written in layers of Hebrew codes—more complex than the human DNA code—which, incidentally, has 22 numbered chromosomes (*the Hebrew alphabet has 22 letters—in addition to the X & Y chromosomes*).

The secrets of the universe may be encoded into the Hebrew book of Leviticus!

Genesis 5 gives the geneology from Adam to Noah\* and includes the ages of each man.

This can be used with the geneology from Adam to Jesus in Luke 3:23-38 to determine the age of the earth & mankind *(it was about 4,000 years from Adam to Jesus & it's been about 2,000 years since Jesus walked the earth, so we are in the 6th 'day' (6000 years). The 7th day is a millenium of rest).*

**\*The first 10 generations (Adam to Noah) tell the Gospel:**

English Name - What it means in Hebrew

Adam:	Man from dust
Seth:	appointed
Enos:	mortal
Cainan:	sorrow
Mahalaleel:	Glorious God
Jared:	comes down
Enoch:	teaching
Methuselah:	when He dies, it will come
Lamech:	for the despairing
Noah:	bringing comfort.

And, an ACROSTIC 'Name Code' in the first 20 generations:

Adam  
אָדָם

Seth  
שֵׁת

Enosh  
אֱנוֹשׁ

Kenan  
קֵינָן

Mahalaleel  
מַהֲלָלֵל

Jared  
יָרֵד

Enoch  
חֵנוֹךְ

Methuselah  
מֵתוּשֶׁלַח

Lamech  
לָמֶךְ

**Also, the first letter of each name from Adam to Moses in the original Hebrew (Gen. 11:10-32) forms an acrostic that says:**

אָשָׂא קָמִי חַמְלָה

**"I will forgive my enemies, showing compassion,**

נִשְׂאָ שֵׁעַפֵּר שֵׁנֹת

**forgiving those made from dust a second time."**

The Mathematical CODES mentioned in the previous pages exist **ONLY** in the Masoretic HEBREW manuscripts of the Old Testament and the Textus Receptus GREEK manuscripts of the New Testament.

Those are the manuscripts used by the scholars who translated the English KING JAMES BIBLE in 1611.

### Brief History of the King James Bible

In the 1300's (called the '14th century'), John Wycliffe translated the 1st complete English Bible. It was banned in 1409. It was hand-written.

In the 1450's, a man named Gutenberg invented the printing press and the 1st book printed on it was the 'Gutenberg Bible.' (*Existing copies are among the most expensive books in the world.*)

In the 1500's, a friend of the German priest Martin Luther, named William Tyndale, who spoke eight languages (French, Hebrew, Greek, German, Spanish, Dutch, Latin, and English) translated the Bible into English. Tyndale said: "The time is coming when the most ignorant ploughboy in England will be able to read the Bible in his own language." England's King Henry the VIII banned all English Bibles and had William Tyndale burned at the stake in 1536 for printing them. But William Tyndale's last prayer was "O, Lord open the eyes of the King of England." And, the Lord did just that! Eleven months later, Henry the VIII authorized 'The Great Bible' translation. Later came the 'Geneva Bible' and others.

Then, in 1611 (*75 years after Tyndale's dying prayer*), King James commissioned the BEST Hebrew/Greek scholars ever assembled to translate the Bible into English for the 'Authorized King James Version.' Those translators used 90% of Tyndale's translation without changing a word!

*The King James PSALMS*

Also, William Shakespeare helped translate the Psalms portion of the KJV. (*He was probably Jewish!*) His name was encoded into Psalm 46 as his 46th birthday present from the other translators.

(*Count 46 letters from the beginning of Psalm 46 to find 'shake' and 46 letters from the end to find 'spear.'*)

There is much controversy today over which Bible translation is the **most accurate for English speaking peoples**. Only the King James Bible translators used the Hebrew Masoretic and the Greek Textus Receptus **EXCLUSIVELY** as their primary source documents--and **THESE ARE THE ONLY MANUSCRIPTS THAT HAVE BIBLE CODES**. Also, the KJV can be reproduced without any copyright restrictions. Modern translations may use older documents--but KJV translators also had access to most of these documents and rejected them.

### OTHER ENGLISH BIBLE TRANSLATIONS:

Many modern Bible translations totally OMIT these entire verses: Matt. 17:21, 18:11, Mark 7:16, John 5:4, Acts 8:37, Rom. 16:24 and, in Luke 4:4 (after "man shall not live by bread alone"), they OMIT 'but by every word of God.' These translations, like Bible Story Books, have a place in providing comfort and understanding of some antiquated words but are no substitute for the KJV for the serious Bible student.
