The History of Israel (in TEN 400-year eras)

BIBLE TIMES

400 years - Called out to Worship the **One True God** (1950-1550 BC) (Gen.12:2-3)

Abraham - sent by God to a Promised Land (Heb.11:8-9, Gen.12:1-4), comes into a blood covenant with God, giving his Promised Son, **Isaac** (Heb. 11: 17-20, Gen. 26), whose son, **Jacob (Israel)** - has 1 daughter (Dinah) & 12 sons (the 12 Tribes of Israel), one of which, **Joseph**, becomes Ruler of Egypt and brings his family to Goshen (part of Egypt) to survive a famine. The **sons of Israel** become slaves in Egypt & cry out to God for deliverance

400 years - Redeeming the land of Canaan **from Idolatry** (1550-1150 BC) (Gen.15:13-16)

God sends a deliverer, **Moses** (great-grandson of Israel), to redeem his people out of Egypt, show them His Laws, build a visual aid of the way to God (Tabernacle), and disciple **Joshua** to bring them into the Promised Land, where **Judges** rule over them until **Samuel** appoints them a King.

400 years - Kingdom of Israel Rises & Falls in **Vanity** (1150-750 BC)

Israel wants a King, so Samuel appoints Saul, then David, succeeded by his son, Solomon, who builds a Temple to God in Jerusalem. Then, the kingdom divides into: **Israel** (10 northern tribes) & **Judah** (2 southern tribes). Prophets (like Elijah) and priests warn and teach, but the people become complacent & stray from God's ways.

400 years - Israel Labors in Captivity **to find Rest** (750-350 BC)

The **Assyrians** conquer **Israel**, then **Babylonians** conquer **Judah**. **Daniel** rises to power & the **Medes & Persians** (Iran) conquer the Babylonians (Iraq). **Queen Esther** rises to power to save the Jews from a holocaust.

400 years - Israel **Rebels**, Rejects the Messiah & **Loses the Land** (350 BC - AD 50)

Nehemiah returns to Israel & tries to rebuild the Temple. **Greeks** conquer Israel, Antiochus Euphianes desecrates the Temple, Macabbeans revolt (Hanukkah-feast of lights-instituted), **Rome** conquers Israel. The Messiah/ Christ ('anointed one'), Yeshua (Jesus) has a 3-year ministry beginning at age 30 & sets up His invisible Kingdom (John 18:36) on earth after He allows the Romans to kill Him and He comes back to life (Romans 14:9).

POST-BIBLE TIMES

400 years - Roman Empire **Murders** Christians, then becomes "Christianized" (AD 50-450)

Rome crushes Israel and renames it 'Palestine' in 70 AD. Roman emperor Constantine converts to a Romanized 'Christianity' but continues to persecute the Jews. Rome rules the world until it collapses from within. But the religion of Rome splits into eastern (Byzantine Orthodox) & western (Roman Catholic) empires--like two iron legs.

400 years - Roman **Harlot** 'Church' Seduces Europe, False Messiah emerges (AD 450-850)

Papal system ('popes') are enthroned and wealth is extracted to build edifices to God. The 'church' becomes a prostitute. This corruption becomes fertile ground for an anti-Christ religion. Mohammed writes his own 'holy book' (the Koran) and enlists armies to kill Jews & Christians who refuse to 'submit' ('Islam') to it. Mosques are built on conquered lands (including Israel) and Islam dominates the Promised Land, with plans of world domination.

400 years - Dark Ages - Bibles banned by 'Church' (the **Thief** steals the Word) - (AD 850-1250)

Latin replaces Hebrew as the 'holy language' and, based on the old (& failed) Mosaic system, only ordained priests are allowed access to the things of God. 'Replacement theology' (a teaching that God has rejected the Jews and replaced them with gentiles--contrary to Romans 2-11). justified the killing of Jews. Roman Catholic crusaders invade the land of Israel, killing Jews & Muslims--but fail to reconquer it from the Muslims.

400 years - Plagues, Wars, Anti-Semitism (the **Deceiver** deceives) (AD 1250-1650)

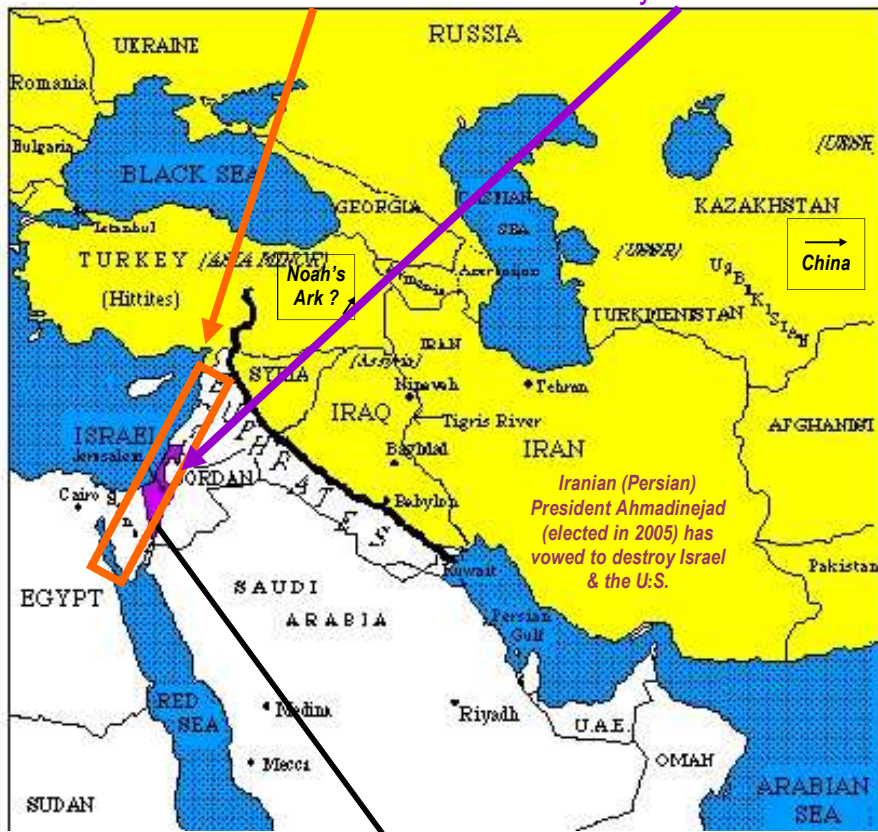

Europe becomes engulfed in anti-Semitism (Jew-hating). The Spanish Inquisition and British, French & Italian persecutions drive some Jews back to their Promised Land or elsewhere--*Portugese Cristobol Columbus was probably a Jew, since he spoke Hebrew and his journal states that his goal in life was to find gold to rebuilt the Temple in Jerusalem--hardly a gentile endeavor. He left for 'India' the day the Spanish Inquisition began--on the 9th of Av, 1492.*

Later, a Jew would finance the American Revolution--so that his people could have a temporary place of refuge.

400 years - Resurrection of Israel (amidst those **greedy-for-land**) (AD 1650-2050)

British **colonialism** (the 'white horse'-Rev. 6 & Zec. 1:8) eventually results in liberation of the land of Israel from the Ottoman Empire (Turks) in 1917. Russian Czarist pogroms (persecutions) & then **communism** (the 'red horse') 'fishes' (Jer. 16:16) for Jews to make 'aliyah' (return to Israel). German **fascism** in the 1930's-40's (the 'black horse') 'hunts' down Jews for blood sacrifice ('holocaust'), and, in 1948, the League of Nations/United Nations (the 'pale green horse') oversees the resurrection of the 'dry bones' (Jer. 37)--the Nation of Israel. The Hebrew language is resurrected after 2000 years. Under pressure from Arab nations, Britain limits Jewish immigration **to Israel**, even sinking their ships. Arab nations also refuse to allow the Palestinians to immigrate **from Israel**, keeping them in camps to establish a foothold for political purposes. Surrounding land-rich Arab nations attack & terrorize Israel continuously.

Israel: Biblical boundaries vs. modern-day boundaries

map from: <http://web.bryant.edu/~langlois/ecology/history.htm>

God's boundaries of Israel:

Gen. 15:18-21

"In that day Yahweh made a covenant with Abram, saying, "To your seed I have given this land, from the river of Egypt to the great river, the river Euphrates..."

Ex. 23:31

"I will set your border from the Red Sea even to the sea of the Philistines, and from the wilderness to the River"

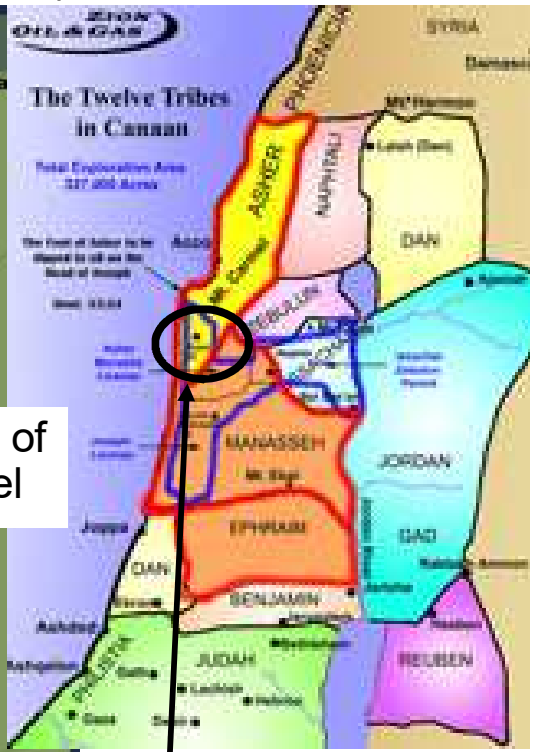

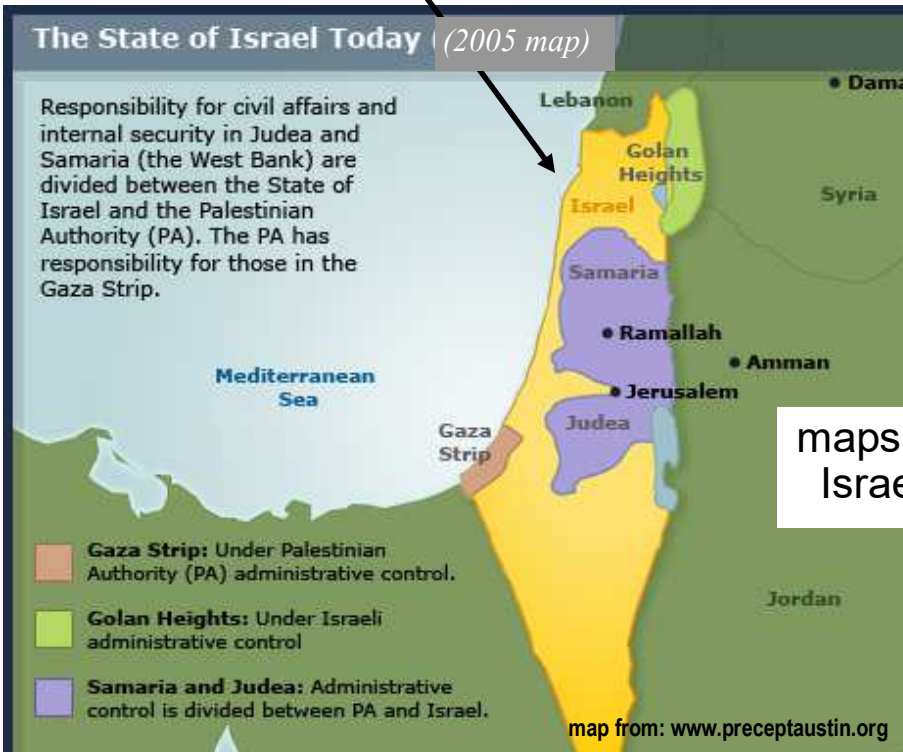

Num. 34:12

"...and the border shall go down to the Jordan, and the goings out of it shall be at the Salt Sea. This shall be your land according to its borders around it."

Deut. 11:24

"Every place whereon the sole of your foot shall tread shall be yours: from the wilderness, and Lebanon, from the river, the river Euphrates, even to the western sea (Mediterranean) shall be your border." (also Num. 34:1-11, Dt. 34:1-4, Josh. 13-16...)

Bible scriptures inspire men to drill for OIL in the 'foot of Asher'

EIGHT oil companies have drilled for oil in Israel, starting in 1963. The first one was Asher Oil Company and the last one is Zion Oil (zionoil.com www.oilinisrael.net). They have found scriptures like "And of Asher he [Moses] said, blessed above sons; let him be acceptable to his brethren, and let him dip his foot in oil." (Deut. 33:24.) (The tribal boundaries of Asher form a leg & a foot.). The 'foot of Asher' includes the Valley of Megiddo (Armagedon). Also, in the Song of Moses: "He (God) made him (Israel) ride on the high places of the earth, and he ate of the produce of the fields; and he made him suck honey out of rock, and oil out of the flinty rock." (Deut. 32:13). Currently, Israel produces no oil.

THE HOLY CITY - JERUSALEM

home of Mt. Moriah, & the Temple, of Solomon, Mt. Zion--David's Captial, Mt. of Olives & Mt. Calvary

The Scriptural history of Jerusalem begins when Abraham meets "Melek Tzedek," (*Melchizedek*) King of Salem - around 2000 BC (*Genesis 14:17-20*). Later, Abraham took his son of promise, Isaac to **Mount Moriah** in order to offer him as a sacrifice to the Lord (*Genesis 22:1-18*). Abraham believed God would raise Isaac from the dead (*Hebrews 11:17-19*). The Lord intervened and provided a sacrifice in place of Isaac. Abraham called that "The Place Where God Will Be Seen" (*Genesis 22:14*).

Around 1400 BC, "The sons of Judah fought against Jerusalem and captured it" from the Jebusites (*Judges 1:8*). It was the dividing line between Judah and Benjamin, on Benjamin's side. It is said that the sons of Benjamin could not drive out the Jebusites--so they lived together (*Judges 1:21*).

About 1050 BC, David conquered Jerusalem by defeating the Jebusites (*Chronicles 11:4-9*). He reigned there thirty-three years and built Jerusalem into a great city. Mt. Zion was his stronghold. David brought the ark of God into Jerusalem (*1 Chronicles 15:1-16:6*). He wanted to build a house for God on Mt. Moriah, but instead, God had his son, Solomon, build it. (*1 Chronicles 22:2-5, 14-16*).

In 586 BC, the **Temple of Solomon** in Jerusalem was destroyed by Babylonian (*Iraqi*) King Nebuchadnezzar on the 9th of Av. It was partially rebuilt in Nehemiah's time (*445 BC*).

From 20 BC-AD 26, **Herod's Temple** was built and later visited by Jesus Christ (*John 2:20*). It was destroyed by Emperor Titus in 70 AD on the 9th of Av and **Israel ceased to exist as a nation**.

Around AD 700, Muslims built the **Dome of the Rock**. (*Mosques are customarily built on sites that have been conquered by Islam.*) Jews are not allowed to go to this place. It is now Muslim territory.

1917 - Story of the Liberating of Jerusalem

Jerusalem was occupied by Muslim Turks until December 10, 1917, when Great Britain liberated it for the Jews (*Balfour Declaration*), as payment to Jewish chemist Chaim Weizmann, for discovering a way to make calcium acetate--needed as a propellant for artillery shells, enabling Britain to win WWI. There is a story that Field Marshall Edmund Allenby actually took Jerusalem without firing a shot by dropping leaflets from airplanes (*something the Turks had never seen*) that said in Turkish 'Surrender, or else!' Allenby. What he didn't know was that 'Allenby' in Turkish is 'Allah beh' or 'God's Son.' They fell on their faces when he entered the city on foot.

12 Old City Gates (today, there are only 8 gates)

- 2) Sheep (**Lion's**) Gate (*Neh. 3:1, 32, 12:39*)
- 3) Fish Gate (*2 Chron. 33:14, Neh. 3:3, 12:39, Zep. 1:10*)
- 4) Water (**Herod's**) Gate (*Neh. 3:26, 8:1,3,16, 12:37*)
- 5) Gate of Ephraim (**Damascus**) (*2 Chron. 25:23*)
- 6) Prison Gate (*Neh. 12:39*)
- 7) Corner (**New**) Gate (*2 Chron. 26:9*)
- 8) Horse Gate (*2 Chron. 23:15, Neh. 3:28, Jer. 31:40*)
- 9) Valley (**Jaffa**) Gate (*Neh. 2:15*)
- 10) Old (**Zion**) Gate (*Neh. 3:6, 12:39*)
- 11) Fountain Gate (*Neh. 12:37*)
- 12) **Dung** Gate (*Neh. 3:13-14, 12:31*)

The NEW JERUSALEM has 12 pearl gates (Rev. 21:12) upon which are written the names of the 12 Tribes of Israel.

The heavenly Jerusalem is our 'Mother' (Gal. 4:26).

Palestinian Refugee Problem & Solution: there is NO land-shortage in the Middle East!

The Arab League in the 1950's passed a resolution stating that **no Arab government could grant citizenship to any Palestinian refugee**—keeping them in 'limbo' for political purposes! *(The same league expelled 850,000 Jews from Arab countries—and they left behind vast property holdings—mostly in Iraq—totaling 5 times the land area of Israel. Those property deeds still exist & land claims are in the hands of the Israeli Pensioners Minister Rafi Eitan. All of that Jewish property in Iraq, Syria & Lebanon needs to be returned before any more of Israel is given away!)* The solution to the problem is **simple** to a rational person: let their brethren, the Arabs, give the Palestinian refugees their own nation—for instance, oil rich **Qatar?**—which has the 2nd highest per person income in the world—or rich **Dubai?**—which has 70 shopping malls & no taxes! The refugee problem was created & is being maintained by surrounding Muslim nations—with the end stated goal of 'driving the Jews into the Sea.'

'Aliyah' (returning) to 'Ha-Eretz' (The Land) the Jewish claim to the land called 'Palestine'

THE CALL: Genesis 12:1-3

"Now the LORD had said unto Abram, "Get thee out of thy country and from thy kindred and from thy father's house unto a land that I will show thee, and I will make of thee a great nation and I will bless thee and make thy name great and **thou shalt be a blessing**. And I will bless them that bless thee and curse him that curseth thee and **in thee shall all families of the earth be blessed.**"

The Global JEWISH population is approximately .02% of the world's population, yet **JEWES** have received **128 NOBEL PRIZES!** www.jewishachievement.com
JEWISH inventions include: virtual reality, lasers, remote controls, video tapes, holography, records, pacemakers, defibrillators, bombs, lipstick, ballpoint pens...

THE LATTER-DAY PROMISE: Jeremiah 23:3, 7-8

"And **I will gather** the remnant of my flock out of **all countries...**"

"Therefore, behold, the days come, saith the Lord, that they shall no more say, 'the Lord liveth which brought up the children of Israel out of the land of Egypt,' but, 'The Lord liveth which brought up and which led the seed of the house of Israel out of the north country and from all countries whither I had driven them and **they shall dwell in their own land.**"

Isaiah 43:5-6 "Fear not, for I am with thee: **I will bring** thy seed from the east and gather thee from the west. I will say to the north, 'give up' and to the south, 'keep not back'--**bring my sons from far and my daughters from the ends of the earth.**"

Jeremiah 16:16 "Behold I send for many **fishers**, saith the Lord and they shall fish them; and after will I send for many **hunters**, and they shall hunt them ..." British betrayals, Russian 'pogroms' (raids) & a German holocaust were God's 'fishers' & 'hunters' to bring the Jews 'home' when the UN granted them statehood. They have now turned against Israel now, as has the whole world.

THE FULFILLMENT: Ezekiel 37:13-14 (Valley of Dry Bones)

"And ye shall know that I am the Lord when I have opened your graves, O my people, and brought you up out of your graves, and **shall put My Spirit in you** and ye shall live and **I shall place you in your own land:** then shall ye know that I, the Lord, have spoken, and performed, saith the Lord."

May 15, 1948, Israel was reborn as a nation—against all odds. Seven surrounding nations attacked it the next day, but God preserves them in every war they fight. And, more Jewish people are coming to their Messiah, Jesus, and being filled with His Holy Spirit than ever before in human history!

LAST BATTLE WILL BE FOR JERUSALEM: Zechariah 12:3,8a,9

"And in that day **will I make Jerusalem a burdensome stone** for all people: all that burden themselves with it shall be cut in pieces, though **all the people of the earth be gathered together against it.**" "In that day shall the **Lord defend the inhabitants of Jerusalem...**" "And it shall come to pass in that day that I will seek to **destroy all the nations that come against Jerusalem.**"

Jihad' ('holy' war) is brewing in the Middle East over the question 'who will own Jerusalem--Jews or Muslims?' God will settle the matter, soon.

"If the **Arabs** put down their weapons today, there would be **no more violence**. If the **Jews** put down their weapons today, there would be **no more Israel.**"

Well, **Israel** has the distinction of being the **first nation** to have their historical struggle captured on film. The 1981 **7-hour documentary 'Pillars of Fire'** by Ya'acov Eisenman covers **from 1895 to 1948** and has film clips of Israeli pioneers & heroes like Chaim Weizman, David Ben-Gurion, Albert Einstein & Golda Meir. 10 UNITED STATES DISASTERS - as they relate to our treatment of Israel & Life

"And I will bless them that bless thee and curse him that curseth thee..." (Genesis 12:3)

1. October 30, 1991: **The Perfect Storm**—As President George H. W. Bush is opening the Madrid (Spain) Conference to consider "land for peace" in Israel's Middle East role, the "perfect storm" develops in the North Atlantic, creating the largest waves ever recorded in that region. The storm travels 1000 miles from "east to west" instead of the normal "west to east" pattern and crashes into the New England Coast. **Thirty-five foot waves crash into the Kennebunkport home of President Bush.**
2. August 23, 1992: **Hurricane Andrew**—When the Madrid Conference moves to Washington DC and the **Peace Talks** resume, **Hurricane Andrew**, the worst natural disaster ever to hit America up until that time, comes ashore and produces an estimated \$30 billion in damage and leaving 180,000 homeless in Florida.
3. January 16, 1994: **Northridge Earthquake**—President Bill Clinton meets with Syria's President Hafez el-Assad in Geneva. They talk about a 'peace' agreement with Israel that includes giving up the Golan Heights. Within 24 hours, a powerful 6.9 earthquake rocks the Northridge, Los Angeles, area of Southern California,
4. September 28, 1998: **Hurricane George**—As Secretary of State Albright works on the final details of an agreement in which Israel would give up 13 percent of Yesha (Judah and Samaria), Hurricane George slams into the United States Gulf Coast with 110 mph winds and gusts up to 175 mph. The hurricane hits the coast and stalled. On September 28, Clinton meets with Yasser Arafat and Netanyahu at the White House to finalize this land deal. Later, Arafat addresses the United Nations about declaring an independent Palestinian state by May. It didn't happen. At the exact time that Arafat departs the country, the storm begins to dissipate.
5. October 15-22, 1998: **Texas Flooded**—On October 15, 1998, Arafat and Netanyahu meet at the Wye River Plantation in Maryland. The talks are scheduled to last five days with the focus on **Israel giving up 13 percent of Yesha**. The talks are extended and conclude on October 23. On October 17, awesome rains and tornadoes hit southern Texas. The San Antonio area is deluged with rain. The rain and flooding in Texas continue until October 22 and then subside. The floods ravage 25 percent of Texas.
6. November 30, 1998: **Market Capitalization Evaporates**—Arafat comes to Washington again to meet with President Clinton to raise money for a Palestinian state with Jerusalem as the capital. A total of 42 other nations were represented in Washington. **All the nations agreed to give Palestinian terrorist Yasser Arafat \$3 billion in aid. Clinton promised \$400 million, and the European nations \$1.7 billion.** On the same day, the Dow Jones average drops 216 points.
7. May 3, 1999: **The Powerful Super Tornado**—On the day that Yasser Arafat is scheduled to declare a Palestinian state with Jerusalem as the capital, the most powerful tornado storm system ever to hit the United States sweeps across Oklahoma and Kansas. The winds are clocked at 316 mph the fastest wind speed ever recorded. **The declaration is postponed** to December 1999 at the request of President Clinton, whose letter to Arafat encourages him in his "aspirations for his own land."
- *8. Sept. 11, 2001 - **911 Terrorist Attack** - On August 9th, President Bush addresses the nation, outlining his plans for the federal **funding of embryonic stem cell research**. Exactly 1 month later, the Muslim terrorists hijacked airplanes and took down the New York Twin Towers of the World Trade Center. The Islamic Jihad 'War on America' had launched it's first attack on American soil.
9. August 26, 2005 - **Hurricane Katrina**--On August 17th, the U.S. pressures Israeli Prime Minister Ariel Sharon to **evacuate 120 families from the Gaza strip** of Israel and give their homes & land to Palestinians--who immediately burn down their vineyards & greenhouses. On August 26, 2005, the worst natural disaster in American history hits the Gulf Coast. The levee in New Orleans collapsed and the city flooded. FEMA ordered **120,000** portable dwellings to be shipped to the area for the homeless survivors.
10. April 20, 2010 - **Gulf Oil Spill** - In March, 2010, U.S. President Obama insisted that Israel declare a 4-month freeze on home construction in Jerusalem. In April, an oil well in the Gulf of Mexico began gushing out oil--freezing the economy of the Gulf states.

*Note that this event followed on the heels of the U.S. condoning experimentation on unborn babies--while pressuring Israel give away it's land. Both issues 'touch the apple of God's eye.'

Israel's enemies and America's enemies are the same: militant Islam here is their strategy:

Islamic 20-point plan to conquer America by the year 2020 <http://uselectionatlas.org/FORUM/index.php?topic=18276.0>

1. Terminate America's freedom of speech by replacing it with **statewide and nationwide hate-crime bills**.

2. Wage a war of words using black leaders like Louis Farrakhan, Rev. Jesse Jackson and other visible religious personalities who promote Islam as the **religion of African-Americans** while insisting Christianity is for whites only. What they fail to tell African-Americans is that it was Arab Muslims who captured them and sold them as slaves. In fact, the Arabic word for black and slave is the same, "Abed."

3. Engage the American public in dialogues, discussions, debates in colleges, universities, public libraries, radio, TV, churches and mosques on the **virtues of Islam**. Proclaim how it is historically another religion like Judaism and Christianity with the **same monotheistic faith**.

4. Nominate Muslim sympathizers to political office to bring about favorable legislation toward Islam and support potential sympathizers by **block voting**.

5. Take control of as much of Hollywood, the press, TV, radio and the Internet as possible by **buying the related corporations or a controlling stock**.

6. Yield to the fear of the imminent shut-off of the lifeblood of America - black gold. **America's economy depends on oil and 41 percent of it comes from the Middle East**.

7. Yell "foul, out-of-context, personal interpretation, **hate crime**, Zionist, un-American, inaccurate interpretation of the Quran" anytime Islam is criticized or the Quran is analyzed in the public arena.

8. Encourage Muslims to penetrate the White House, specifically with Islamists who can articulate a marvelous and peaceful picture of Islam. Acquire government positions and get membership in **local school boards. Train Muslims as medical doctors to dominate the medical field, research and pharmaceutical companies**. (Ever notice how numerous Muslim doctors in America are, when their countries need them more desperately than America?) Take over the computer industry. Establish Middle Eastern **restaurants** throughout the U.S. to connect planners of Islamization in a discreet way.

9. Accelerate Islamic demographic growth via: **Massive immigration** (100,000 annually since 1961). Use no birth control whatsoever - every baby of Muslim parents is automatically a Muslim and cannot choose another religion later. Muslim men must marry American women and Islamize them (10,000 annually). Then divorce them and remarry every five years - since one can't legally marry four at one time. This is a legal solution in America. Convert angry, alienated black inmates and turn them into militants (so far 2,000 released inmates have joined al-Qaida worldwide). Only a few "sleeper cells" have been captured in Afghanistan and on American soil.

10. Reading, writing, arithmetic and research through **the American educational system**, mosques and student centers (now 1,500) should be sprinkled with dislike of Jews, evangelical Christians and democracy. There are currently 300 exclusively Muslim schools in the U.S. which teach loyalty to the Quran, not the U.S. Constitution. In January of 2002, Saudi Arabia's Embassy in Washington mailed 4,500 packets of the Quran and videos promoting Islam to America's high schools - free of charge. Saudi Arabia would not allow the U.S. to reciprocate.

11. Provide very **sizeable monetary Muslim grants to colleges and universities** in America to establish "Centers for Islamic studies" with Muslim directors to promote Islam in higher-education institutions.

12. Let the entire world know through propaganda, speeches, seminars, local and national media that terrorists have hijacked Islam, when in truth, **Islam hijacked the terrorists**.

13. Appeal to the historically compassionate and sensitive Americans for **sympathy and tolerance towards Muslims in America** who are portrayed as mainly immigrants from oppressed countries.

14. Nullify America's sense of security by **manipulating the intelligence community with misinformation**. Periodically terrorize Americans with reports of impending attacks on bridges, tunnels, water supplies, airports, apartment buildings and malls.

15. **Form riots and demonstrations in the prison system demanding Islamic Sharia as the way of life**, not America's justice system.

16. Open numerous **charities** throughout the U.S., but use the funds to support Islamic terrorism with American dollars.

17. Raise interest in Islam on America's campuses by **insisting freshman take at least one course on Islam**.

18. **Unify the numerous Muslim lobbies in Washington**, mosques, Islamic student centers, educational organizations, magazines and papers by Internet and an annual convention to coordinate plans, propagate the faith and engender news in the media.

19. Send **intimidating** messages and messengers to the **outspoken individuals** who are critical of Islam and seek to eliminate them by hook or crook.

20. **Applaud Muslims as loyal citizens** of the U.S. by spotlighting their voting record as the highest percentage of all minority and ethnic groups in America.
